

EWASTE+ Named to 2025 Greater Rochester Chamber Top 100 List of Fastest-Growing, Privately Owned Companies

Victor, NY – August 12, 2025 – EWASTE+ is proud to announce that it has been recognized on the 2025 Top 100 list of the fastest-growing, privately owned companies in the Greater Rochester/Finger Lakes region. The 39th annual ranked list will be unveiled by the Greater Rochester Chamber of Commerce at the Top 100 Awards Celebration on Thursday, November 6, in downtown Rochester.

Andrew Vermette, President of EWASTE+, emphasized, "It's an honor to be recognized among the region's fastest-growing companies. Our success comes from the dedication of our incredible team, the trust of our clients, and our commitment to delivering innovative, sustainable solutions for electronics recycling. We're proud to play a role in strengthening our local economy while protecting the environment for future generations."

To be eligible for the Greater Rochester Chamber Top 100 program, companies must be privately owned, headquartered in the nine-county Rochester region, and have earned at least \$1 million in revenue in each of the three most recent fiscal years.

Bob Duffy, President and CEO, Greater Rochester Chamber of Commerce, affirmed, "Congratulations to EWASTE+ for earning their spot on the 2025 Greater Rochester Chamber Top 100 list. This placement showcases and celebrates their role in our community—shaping its economy and community as one of the fastest-growing companies. The companies on this list represent a diverse selection of industries from all corners of our region's dynamic business climate. Cumulatively, these companies have created tens of thousands of jobs here and added billions of dollars of revenue to our local economy each year. We look forward to celebrating alongside these teams in November and recognizing their hard work, accomplishments, and innovation."

About EWASTE+

Since 1995, EWASTE+ has offered full spectrum ITAD services including onsite collection, data sanitization, product refurbishment, hard-drive destruction, resource recovery, and chain-of-custody documentation. The company has serviced over 11,000 clients and has become the premier partner/vendor of choice for business, government, medical, and educational organizations. EWASTE+ facilities in Rochester, Albany, and New York City have diverted over 300 million pounds of electronic waste from disposal in landfills while rigorously adhering to federal and state regulatory compliance. Most recently, EWASTE+ acquired Take 2 Recycling, a respected and mission-driven electronics recycler based in Waterbury, Connecticut. For more information, please visit www.EWASTE.com.
